By Leif, M.D. Tronstad : Clinical Endodontics: A Textbook check your passport and mark your calendar for the 2017 north america endodontic opinion leaders forum gather with your colleagues at the hyatt ziva san jos del reed elsevier is the worlds leading provider of professional information and online workflow solutions in the science medical legal risk information and Clinical Endodontics: A Textbook:

0 of 0 review helpful Basic information on endodontics By Customer The Book is very useful for students and

contents all basic information on endodontics I would highly recommend this book solely for students A new edition of a classic student text in Endodontics As did the first edition the second edition of Tronstad s Clinical Endodontics fills the need for a simple yet comprehensive textbook in endodontics that serves as an introductory text for dental students and which is also suitable as a refresher source for general practitioners postdoctoral students and endodontists Having been written by only one author the book is remarkable for its cohesiveness clear arg
