By Singh : Mini Atlas of Orthodontics (Anshan Gold Standard Mini Atlas) Mini Atlas of Orthodontics (Anshan Gold Standard Mini Atlas):

A pocket sized atlas with an accompanying CD ROM this title is useful for those involved in medicine and health sciences from undergraduates to private practitioners medical professionals and academics Over the next 2 years approximately 50 titles will be published by Anshan covering a comprehensive range of disciplines within medicine and health sciences The full series will develop into an outstanding resource for any medical library and each individual title will This is a wonderful book The small size of this mini atlas does not detract from its intrinsic value It

is concise yet comprehensive If I were a medical student I would read this book If I were reviewing for a comprehensive examination I would read this
