Diagnostic Imaging: Oral and Maxillofacial: Published by Amirsys®:

3 of 3 review helpful Excellent book By Dr Ahmed Zakaria High quality paper high quality images Everything an oral radiologist needs to know What makes this book different is that images are not conventional panoramic and intraoral

images images are all of advanced modalities like CT CBCT PET with CT and MRII dont think a dentist is interested in this amount of information regarding oral and maxillofacial pa Diagnostic Imaging Oral and Maxillofacial is the newest title in the popular Diagnostic Imaging series by Amirsys This book is written primarily for dentists who currently use or plan to use CT or CBCT technology in their practices It can also benefit radiologists interested in the head and neck region who would like a dentist rsquo s perspective The authors are a large team of renowned oral and m
