Oral Biology at the Turn of the Century: Misconceptions, Truths, Challenges and Prospects Congress, Interlaken, August 1998 (30th Birthday of the European Research Group for Oral Biology, ERGOB):

The swift pace of research in oral biology during the past decade has made it difficult to gain a comprehensive overview even in this narrow field. 'Oral Biology at the Turn of the Century' contains the lectures and summaries of discussion sessions held at the international symposium commemorating the thirtieth anniversary of the European Research Group on Oral Biology ERGOB in Interlaken. It is a timely volume presenting exciting insights on the epidemiology
