By B.J. Njio : A Quality System for European Orthodontic Professionals: The EURO-QUAL - European Orthodontic Quality Manual (Biomedical and Health Research) A Quality System for European Orthodontic

Professionals: The EURO-QUAL - European Orthodontic Quality Manual (Biomedical and Health Research):

The benefits for the professional working within a quality culture are manifold but even more important the patient is the final arbiter of quality care Therefore patient centred aspects of treatment are focused upon in this manual A quality manual intended for European use has to respect the national regulations and European diversity and therefore needs to be flexible The EOQM has been structured according to the treatment of the individual patient which is what
