By Avesh Sachan : Invisalign -A modern approach to orthodontic treatment by Avesh Sachan (2013-07-10)

Invisalign -A modern approach to orthodontic treatment by Avesh Sachan (2013-07-10):

0 of 0 review helpful Old information and poorly written By Dentsit Even though I like the history chapter about removable appliances however all photos are black and white and the the information and clinical data only until 2008 but the book published on 2013 the style of writing is very poor and the information is very basic
